Kitted out with all the 'mod cons'—water-resistant upper and a penetration resistant midsole, thermo-regulating Coolmax® lining and TPU toe guard to handle rough treatment.

- Revolutionary world-first CushionCore comfort technology combines two compounds of PU injected into the midsole providing superior shock absorption at the heel while also providing rebound at the forefront as you step
- Coolmax® lining fabric helps transport moisture away from your foot, through the fabric, where it can evaporate quickly
- Non-metallic penetration resistant insole which resists penetration even by small diameter nails and other objects
- TPU outsole with aggressive self-clearing tread pattern providing superior grip, stability and abrasion resistance
- Super cushioning Comf2Bull air flow footbed of soft PU that's also antibacterial and washable
- Broad fitting 200 joule impact resistant Type 1 steel toe cap
- Padded collar and tongue
- Extra heavy-duty TPU heel and toe guard for extra scuff protection
